

HEALTH AND SAFETY GUIDELINES

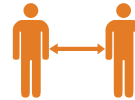

Sign the COVID-19 waiver to enter.

Face coverings are required.

Hands will be sanitized upon entry and we encourage you to use Hand Sanitizing Stations we have installed throughout our venues often during your visit.

Social distancing in all areas (including seating) should be observed.

All bowling balls will be regularly sanitized. Look out for the new Squeeki bowling ball sanitizer system coming soon! Squeeki is a brand new bowling ball cleaning and sanitizing machine that allows customers to thoroughly clean their bowling balls whenever they would like.

All bowling shoes are regularly sanitized with a deodorizer and disinfectant spray. Look for the Spins Bowl wrap on your shoe rental indicating they are sanitized for your safety and ready to use.

Certain games and experiences may not be available. Multi-player games may be limited to one player.

We encourage touchless transactions when available.

Games and restrooms will be sanitized throughout the day.

All menus, food containers, and flatware are disposable

Certain seating and booths will be closed to provide social distancing
